WELCOME TO 1984 - the year of Repression

Many years ago the author GEORGE ORWELL wrote a book called 1984 in which he wrote about an imaginary society where 'BIG BROTHER' watched every move and interfered with how individuals made decisions about their own lives. Everyone regarded this as a terriying book - but throughout 1983 we've seen attack after attack on the sex industry that clearly show that Orwells's 'model' of society in 1984 is not far removed from the truth. In 1983 these things happened:

1. MORE PRISON SENTENCES - more people were sent to prison under section two of the obscene publications act than in ANY YEAR since its inception. A high court judge ruled that prison should be an automatic sentence for 'brokers in this filth'. Additionally, another High court judge ruled that importers of pornography were only one degree better than people who imported hard drugs into Britain and should be treated accordingly with long prison sentences. Is it right that the government should interfere with your life in this way? Surely the individual should decide what he reads or looks at and not some BIG BROTHER.

2. LICENSING

This was introduced to cover sexshops and cinemas over 12 months ago. It has been used, mainly, not to license but to prohibit. When the government introduced it they said that they were out to control sexshops not ban them - in reality hardly a sexshop or cinema club license had been granted anywhere in Britain. The premises are still open because of a complicated appeal procedure - but unless the courts are more sensible than the councils then quite clearly LICENSING will have been used as a 'democratic' means of abolition. Is it right should you be deprived of YOUR RIGHTS to visit sexshops and sex cinemas.?

3. ATTACKS ON NEWSAGENTS

In 1983 a concerted attack was made on newsagents selling Whitehouse magazine - in an attempt to ban it. Newsagent after newsagent was charged with selling it. HOWEVER, thank god that the British jury system put a stop to this. After TEN CONSECUTIVE ACQUITALS all further charges were dropped with full costs awarded. The publishers had spent tens of thousands of pounds in legal fees to stay in business. Here Big Brother was stopped in 1983 - lets hope he doesn't return in 1984.

Liverpool. I'm not a football fan, but even I have heard of the great Liverpool football team. I gather that the team isn't so much a football team in Liverpool, it is more a way of life.

I was in Liverpool to see an old friend, a girl called Trisha, and after the usual chat about old times, she took me for a drive round Liverpool. As we drove she told me about the high unemployment rate, and I felt sad about this, for it meant that many nice people would be out of work, and I hate to know that people are sad and lonely and broke.

We went back to her flat, and she then went out again, said she wouldn't be back till almost midnight and that I was to treat her flat as my own. I had something to eat and then went out myself, walked around the centre of town, and I was walking past a Job Centre when I heard two young men talking.

One said "The trouble with being out of work is that you can't get the birds."

"I know," said the other one. "I can't remember the last time I had a fuck."

I stopped dead in my tracks, for talk like that always makes me think hard. You see my aim in life is to try and help people who deserve a break, help people who might be down on their luck.

I stopped and listened, and the two young men, carried on talking about their lack of sex, lack of money, lack of a job, but most of them they bemoaned the fact that they couldn't afford to take a girl out, and therefore couldn't get laid.

I moved over to them and introduced myself, "I'm Zeta," I said, "Name your fantasy."

I think they thought I was joking. "What's your game lady?" one of them asked.

"No game" I said.

"You're not on the game are you?" asked the other one. I shook my head. "I might give it away," I said, "but I have never sold it in my life. Look, come over to my car and I'll explain."

They both looked at each other, shrugged and started to walk towards the car with me. "I try to help people down on their luck," I said, when we were settled in the car. "Not with money, but with sex."

"Oh yeah, pull the other one," said Ted, who was the tallest of the two. "You are joking," said Mick, I smiled. "I am not noking," I said. Ted looked me up and down. "You must be," he said. "A good looking bird like you shouldn't want anything to do with two down and out people like us."

"That is where you're wrong" I snapped.

Yes, they were wrong, most people think that a girl like me would go for rich super studs, but that type bore me to tears, they don't deserve what I have to offer. I go for people who need a break, go for the ordinary man in the street, they appreciate much more what I can do for them.

I explained all this to them, and they listened, and then I said "I know that your main concern is to get a job, but apart from that, what would make you really happy?"

"To fuck with someone like you," said Ted. "Yeah, that would be my answer also," said Mick.

"Just fuck?" I asked. "Surely you have a sexual fantasy as well."

"To see a bird like you wank," said Mick. "To come over your tits," said Ted.

"Then your wishes have just been granted," I told them.

I smiled at the expression on their faces when I said that, for they still didn't really believe me, so I told them about myself, how at the age of eighteen I had gone to Sweden to star in sex films, how I had been so good over there they had voted me Miss Europe. I was now, at twenty five, back in the UK working as a model.

"Yeah, that's all very well," said Ted, "But this granting of fantasies seems funny to me."

"Not really," I said. "I have been happy in my career, and I'm the sort of person who wants to see other people happy."

"I think she is just slumming," said Mick. "A rich bird who wants some rough trade."

That annoyed me, and I turned on him and put him straight, told him that I didn't like rich men who were flash and self assured, that I only liked the man in the street, the type of person who would really appreciate my sexual favours. I wasn't slumming, I was genuine, and I made it clear to them that I was on the level.

SVEN BOOKS (Dept GSP),
228 GREEN ST, FOREST GATE, LONDON E7

"You both deserve a break," I said. "I want to make you happy, want to allow you to forget your problems for a short while, so come and fuck with me."

We went back to the flat, and they said they wanted me one at a time, and so Ted went and sat in the lounge while I took Mick into the bedroom. I undressed Mick and then said. "You have a nice cock," and he blushed a little. "Now wanted to see me wank," I continued. "Okay, your fantasy is about to come true."

"I still can't believe this is happening," said Mick as I started to undress.

"Oh, it is happening," I said. "I'm happy that it is, for I like to give rather than receive. I'm at my happiest when I'm giving a treat to a man who really deserves it."

I was now naked, and when he looked at my body his cock throbbed like hell. "I haven't had much sex experience," he said.

"I've more than enough for both of us," I told him., "Anyway, the so called studs of this world bore me."

We moved over to the bed. "What would you like me to wank with?" I asked.

"Your... your fingers," he stammered.,

"Don't be shy," I said. "This is your fantasy time come true. I will use anything you want me to. Come on, you must have a sexual fantasy about this."

He nodded. "Well, fingers would be nice, but a candle would be better."

"I'll use both," I said. I knew Trish had a penis shaped candle somewhere in the bedroom, and I found it. It really didn't bother me what he might have named, for in my sex films days I had used many different things inside my pussy, in fact if it would fit in there then I have used it.

"You are a remarkable woman," Ted said, "There can't be many women in this world who will go round and only fuck with people who are desperate for it, people like me and Ted who need it very badly."

"Yes, I suppose I am unusual," I told him. "But I get more pleasure from people like you, people who need a break, than from all the super studs I have fucked with in blue films. Now stop talking and just sit there and watch, and your fantasy will come true."

So he sat on the edge of the bed and I stretched out on the sheets and opened my legs, and thought that fingers first would be best, and I moved my right hand down to my pussy and started to run the tips of my fingers up and down my cunt lips.

I pushed my fingers in as far as they would go, and then started to wank, and soon those fingers of mine were really flashing in and out of my hot cunt, and soon I was climaxing, and with each climax a huge amount of cream came

She'll never say NO again!

A viciously effective 'whip–hand' stimulator (available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

bubbling from my love nest.

He leaned over to get a better view, and he was smiling, for this was something he had always dreamed about seeing, he said he had never seen a woman wank before, and it was really good, and as he watched,that lovely cock of his got bigger and stiffer. I removed my fingers from my cunt, and then placed them in my mouth and sucked them dry, and that pleased him to see that. Then I picked up the candle, and it was a rather big one, and I pushed the glans shaped end all the way into my wet pussy and started to masturbate all over again, and having something really solid like that inside me gave me even better orgasms this time, and I was so happy to see the delight in his eyes as he watched me wank off.

I used that candle on myself for about ten minutes and then pulled it out and threw it away, and then asked him if he would like to suck my pussy, and the look which appeared in his eyes told me that he wanted to do that very much indeed.

I was really happy as he went down on me and pushed his tongue into my cunt.

Yes, Happy. I was giving him something that he had been missing. I was making him forget his problems for a little while.

Considering that he hadn't had much sexual experience, he was very good at sucking pussy, and as his tongue moved about inside my hole, so I climaxed again and again.

"Okay," I said, when he had finished. "In the car you said that one of your fantasies would be to fuck with a sex star like me. Okay, that is now going to come true. How do you want to fuck."

"I still can't believe this," he said. "A real model, a real sex film star."

"Get that lovely cock of yours into my pussy and you'll believe it," I said.

He smiled, and quick as a flash he got on top of me, and his cock started to press against my cunt lips, but he was rushing a little, so I told him to relax, and then I reached between us, took his shaft in my right hand and then guided his cock all the way into my tight wet pussy.

As his cock went inside me, he shook with emotion, and gasped that this was his first fuck for ages and ages. I also gasped as the cock went inside me, for is was a very thick one, and it filled me right the way up, and made me feel very good indeed.

He did rush it a little again after that, but I wasn't bothered, for it had been ages and ages since he had last fucked a woman, and if he was anxious to go as fast as possible, then that was fine with me, it was his fantasy after all, and he could do as he pleased. As long as he was happy that was all that really mattered, and if he was happy, then I was happy, very happy, for helping people who needed a break is the name of my game.

But then again, that's the difference between pleasure and technique. A super stud has great technique, but fails to give pleasure; a young man like Mick has little technique, but he, like most 'men in the street' always gives me great fullfilling pleasure.

I climaxed many times over as his lovely cock thrust in and out of my tight pussy, and he was having the time of his life, this would be something he could really boast to his mates about, this was a fuck with a sex film star, something he would remember for a very long time to come.

Then his glans started to really bulge and throb inside my cunt, and then he gave one extra long deep hard thrust into my cunt, and then I had a really super climax, for now his spunk was flooding into me, and he was having - what he said afterwards - was the biggest and best ejaculation of his life.

It must have been, for the spunk seemed to come out of him for ever and ever. He really filled me up with that stuff.

He stayed inside me till he went limp, and then pulled his penis out, and I then did what I always do after a man has fucked me, I rolled round and then took his limp cock into my mouth, and sucked it clean

"That was great, do you only go with people like me?" he panted.

"Yes. I go with young shy men, middle aged men, fat men, thin men, anyone who needs a break, anyone who is lonely. But they have to be ordinary men, not flash superstuds. I love to make their sexual fantasies come true."

I told him to wait in the lounge and send Ted in.

Ted came in as I was drying myself off.

I smiled at the bulge in his pants. "Now it is your turn to have a fantasy come true," I told him. "Let me see, you wanted to come all over my boobs, didn't you?"

"Yes, do you mind?" he said.

I shook my head, "You can come anywhere you like," I told him. "This is your fantasy, this is your treat."

We stretched out side by side, and I stroked his cock. I then suggested that he make his fantasy come true, and he knelt by my side, took his cock in his right hand, pointed at my boobs, and started to wank off.

He wanked faster and faster, and I was helping him by cupping his balls in my right hand and very gently tugging at them.

His glans was getting more and more swollen as he wanked, and then the eye opened up, and then the first wave of really thick hot spunk splattered all over my tits, and this felt so good, so very good, that I had a climax on the spot.

Then more and more sperm came from his cock, and it washed over me, and I was pleased, for his fantasy had come true.

He pulled at his cock till he was devoid of sperm and then smiled.

"You are great, Zeta," he said, in his lovely Liverpool accent. "You dont know how much that meant to me. Being out of work and all that, and now doing this has given me a real boost.

"Those are the sort of words I like to hear," I said, "Let's invite Mick in and you can both fuck me at the same time."

Mick came in and undressed, I suggested that Ted fuck me, and Mick could push his cock into my mouth.

I gave Ted's cock a quick sucking, just to get it as hard as possible, and then I stretched out on the bed and opened my legs, and Ted got between my legs and then the hard head of his glans was rubbing up and down my cunt lips, making my juices spurt out.

Then he pushed, and my cunt lips parted, and that nice cock of his started to slide all the way into my wet cunt.

He started to fuck me, started to do it nice and slowly, and as his cock thrust in and out of my cunt, Mick moved up the side and pressed his glans against my mouth, and I opened my mouth and took his cock all the way inside my mouth and started to suck on him.

They both worked well, the cock in my mouth was hot and salty and the cock in my pussy was hard and strong and deep.

They both heaved and gasped and came at roughly the same time, and spunk went deep into my throat, and spunk went deep into my pussy, and I was having some of the best orgasms of my life.

They both removed their cocks and rolled over, and I sucked both their cocks dry.

Afterwards I drove them home, and they thanked me very much indeed, and I said they didn't have to thank me at all, for I had given them a good time, and that was all the reward I wanted.

Don't forget the one and only Zeta will be writing for Whitehouse, and also appearing each and every month in **Adult Fantasy**. *You will have gathered that she is a very unusual lady. Well, even at this moment she is travelling round the country, looking for people who really deserve a break. Super studs and flash self assured sods need not apply, but if you are an ordinary bloke, feeling lonely, fed up, out of work, whatever, then you are just the sort of deserving person Zeta is looking for. So watch out for her.*

THE ART OF PENIS ENLARGEMENT
By Dr. John Kroeger

Penis enlargement is NOT just a phalacy, it is a PROVEN FACT, another fact whether he admits it or not is that EVERY normal man wishes his penis was BIGGER, irrespective of how big it already is. As we all know the penis basically is a mass of spongy tissue consisting mainly of blood spaces. When only a little blood is inside the spaces, the penis is SOFT. When blood is pumped in the penis ERECTS. Erection, then, is caused by excitement of the male to which he produces the flow of extra blood into the tissues or veins within the member. If these veins could be enlarged – and we know they can – then more blood will enter the penis and it will become bigger. Additonally, strong muscles surround the base or root of the penis. and by contracting, help retain the blood in the head and shaft of the penis. Clearly, the stronger and better trained the muscles become, the longer and better the penis is able to erect, and remain erect for far longer periods. This conditioning or training of holding more blood in the member can easily be developed by regular use of the CORRECT type of vacuum developer or enlarger and coupled with a descriptive step by step guide of full instructions on the methods of using developers in conjunction with penis exercises, any normal healthy male of any age cannot fail to ENLARGE HIS PENIS and develop the art of MAINTAINING A STRONG ERECTION for any duration of sexual pleasure.

In my many years as a doctor and consultant sex therapist I have been inundated with problems on penis size and performance, so as now retirement has given me the opportunity to pass on all those years of accumulated knowledge to branch out into the field of physically helping the public. Firstly I have with the aid of many staff, put together what I know to be the finest, best quality tested developer and literature available in the world today– all I leave you to do is choose the correct item that suit your individual requirements and pocket from my guaranteed selection below. Just think! The man who possesses a fully enlarged, fully trained, peak performance penis need not worry how a woman will compare him with other men. He will know well enough from the actions of her body and the look on her face.

This will have its effect not only on his relationships but on many other aspects of his daily life and work. He will have more confidence in every way – because he will be MORE OF A MAN.

BOOK 1

48 pages of detailed step by step guides on developers/enlargers. How to choose them and use them. Instructions on exercises and penis control. Actual pictures of users and the before and after results they have attained. (instructional & pictorial).

THE ART OF PENIS ENLARGEMENT

BOOK 2

24 pages on how to use our items with or without a partner and descriptions of functional use. Techniques, facts and thrills. (Pictorial & instructional)

TYPE A DE-LUXE VIBROSUCK (10"-12")

(Electric) These pumps are vibrated by battery operated motors. The unique feature is that during use the male can achieve unbelievable heights of pleasure from the vibrations sent to the head of the penis. This will ensure a strong blood flow to the penis head and also maintain a good erection whilst normal suction of the pump promotes growth and strength of the penile shaft. This item also comes with Spanish Fly and Hard on Drips.

TYPE B JUMBO STROKER (Sauna Action) (10"-12")

This model is water filled incorporating a special penis gripper for constant stimulation. The feature of this pump is the extra power suction chamber which is totally separate from the pump and can be used by the male or female, and being piston operated will ensure a far greater degree of suction than by conventional bulb operated pumps. This item comes complete with lubricating cream, and further more lends itself to comfortable 69 positions when operated by a partner.

TYPE C PISTON ACTION STROKER (12"-14")

Conventional tube design but with special penis gripper for added sensation and built in extra power piston suction chamber. The possibilities are endless with this pump as many recorded growths of up to 4½" have been proudly boasted by regular users. Recommended for penis's in excess of 8½ inches. (Full instructions and lubricating cream supplied).

TYPE D SAUNA ACTION PUMP STROKER

This pump differs to any other, by the fact of its newly developed full length rubber penis sheath. It works on the same principle as a womans vagina, completely encasing the member whilst surrounded by warm water. Coupled with the power pack suction bulb it can achieve extremely quick results in growth compared to any ordinary developer. The sensations of this pump are unbelievable, as it is like having the penis sucked into a warm vagina and the male user can easily be brought to a climax with complete confidence as the specially protected sheath ensures complete protection and hygiene even when used as a masturbation method. (Full instructions and lubricating cream supplied.) (Sizes in brackets refer to penis size desired).

A ROGUE AT LARGE

By Derek Kirt.

Part I

“Thing is, Pauline, that I find you so damned attractive.” She sighed sadly, “I wish George did, do you know Dered, its close on four months since he...” she paused, I smiled at her. “Since he screwed you, Pauline?” My blatant query brought a shocked look to her pretty features, yet she nodded affirmation of the facts. “I'd welcome the chance to put things right, Pet” She looked worried, dropped her gaze and wrung her hands together in her lap. I'd seen it all before often enough, my job as an insurance agent getting me into people's houses and especially allowing me to meet plenty of women. I tried to force the issue, “You mean I've got to go home to my batchelor house and take myself in hand, imagining quite what it would be like to undress you, kiss you all over and then slip my cock into you?” I saw her tremble, tears welling in her eyes as she lifted her head again. “Derek, I... I can't now... you know, the wrong time... I'll be alright Thursday... You've got to come again Friday evening to see George about increasing the cover on the house... the kids are staying with grandparents.” I grinned at her, “that's as maybe, Pauline, but I don't reckon George would be best pleased if I had you while he was here?” she shook her head, “He has agreed to cover for a pal on nights Friday, will be out of the house by eight... oh, Derek, I shouldn't be talking this way to you.” In answer I went over and bending down kissed her full on the mouth, forcing tongue into her at first reluctant lips although very soon she was kissing me back hard. I felt the outline of her brassiere clad boobs tenderly, felt her shiver as I did so, not a lot of tit by the feel of it, but enough and I had always admired her shapely legs and slim thighs.

She broke the kiss, “Friday then, Derek... Friday... what time will you come?” I smiled, “early enough to catch George, say about seven thirty then I'll have the excuse to finalise details after he has gone.” She nodded dumbly, “Alright, Derek... please go now the kids will be in from school any minute.” I gave her boobs a meaningful pat, let myself out of the front door of the terraced house. Got back in my car and gunned the motor into life, even though it was a cool November day I felt a warm glow at the prospect of Friday evening, it takes two to tango and I'm always game for a screw when the chance arises.

The week past quickly enough, Friday night usually a busy one for me collecting in so I started earlier than usual and at seven fifteen parked my car discreetly on the car park of the ‘Royal Oak’, some couple of hundred yards from Pauline's home, walking the short distance and finding George in working gear watching the tele. He greeted me in a friendly manner, always did for I had been their agent for several years. He was only half listening to me as I explained the need to increase cover, one eye on the screen and Pauling hovering around nervously in the background. His attitude tended to annoy me, I felt like saying something like after you leave, pal, I'm going to fuck your wife... just to see the reaction. Of course I didn't, simply went through the patter and gave him the papers to sign. He heaved himself out of the chair at ten to eight, “Best be off, luv,” see you about seven in the morning. Thanks, Derek, suppose you still have got a lot to do?” I smiled, “Just got to finish off the details on the policy application, George, Pauline can give me the things I need to know mate. Have a good shift.” He grinned, took his jacket, pecked Pauline on the cheek and left. I was sat at the back parlour table, she was standing awkwardly by thje door leading upstairs. “What now, Derek... I mean do we go upstairs or what?” Her voice nervous, I looked up and spoke calmly to her. “Not yet, pet. You go up and take off your bra, also your tights because I want to be able to get at you without all that fuss. I'll just finish these forms off, you'll be down in five minutes I guess.” She stood staring at me for a few moments, no doubt inwardly torn with indecision, then turned and left. I lit a ciggie, put the forms away and took the bottle of vodka out of my briefcase.

That she had met my wishes immediately apparent upon her return, through her thin sweater I could clearly see the outline of her nipples, just as I

had suspected not a lot of tit but enough. I've always been a sucker for boobs, sorry no pun intended! Her legs bare and feet thrust into fluffy mule slippers, she saw the bottle. "Get some glasses pet, lets have a drink first." I watched her shoulder length brown hair and loved the swell of her bottom beneath her skirt as she reached up to the shelf for the tumblers. I poured generously, she found some lemonade and we chinked glasses. "To us, Pauline, to what we are going to do." She trembled, swallowed a good half of her drink and quivered all over.

I've been around, at thirty seven I've had plenty of experience, you don't mess around in these circumstances. Pauline was hot and ready, just needed to be treated firmly to push her over the edge, I got up and wnt to where she was sitting on the other side of the table. With a swift movement I ruckled up her sweater over her tits, looked down at the revelation as she averted her head. Quite nice, lovely looking teats of light brown hue surrounded by large aureoles. Her voice unsteady, "Derek, they used to be ever so much bigger and firmer before I had the kids... I wish they were bigger." I stroked her left breast, she trembled again, "Shut up, I like what I see, Pauline. I'm going to suck them for you." I heard her gasp as I leaned over and took her right teat into my lips, dragged it deeper and ran my tongue over the gristly texture, almost at once it expanded. I transferred attention to her left nipple, lapping and licking until they both erected up into happy peaks. All that before I kissed her lips, playing with the engorged tips as I did so, she now a willing partner as she displayed by the erotic use of her tongue which was soon stabbing suggestively in and out of my mouth.

Time I guessed to transfer us to a more comfortable platform, something to be checked first. I broke away from the kiss, "Let's go to bed, pet. I like to ride bareback, got something in my briefcase if its needed?" Pauline shook her head as she pulled her sweater down over her naked titties, "It's safe, Derek." Her voice wooden, she turned and led the way uip the steep stairs, pausing on the small landind. "Can we use one of the kids rooms?" I knew what she meant, something "not quite right" about using the matrimonial bed to commit adultery in, I shrugged. "Any bed for me, Pet, so long as you are on it." She went into the back bedroom, turned on a bedside light and I was glad to see it was a double divan. While she stood silently by I calmly stripped myself naked, it was none too warm in there and I spotted an electric fan heater that I put into operation. Fully aware that her eyes were glued to my rigid cock, I'm not bragging when I say I am 'well blessed'. "Derek, I... you are very big..." I grinned at her, "And hard, have a feel?" She sort of backed away as I moved in close, then she stopped and as we kissed her hand was soon exploring the full length and girth of my hot prick. She was breathing rapidly as I skinned the sweater up and over her head, dropped my lips into her breasts for another suckling session on her stiff nipples.

I found the zipper at the side of her skirt, it whispered down and the garment fell around her ankles. She gave a sob as my hand went into her crotch, dainty panties gracing her hips, I felt the springy bush beneath the thin nylon, located her cleft and fingered the gusset of her panties into her slit. Pauline wriggling frantically as I backed her to the bed, she fell across it and was quick to grasp hold of her panties in both hands and tug them right off. "The light, Derek, put it off... please..." I knelt on the bed and smiled at her, shaking my head. "No chance, Pet, no chance. I like to see my women." At which she gave a startled gasp as I yanked her legs apart, looking right up into her pretty quim. Puffy outer brown lips already peeling back slightly to show off the luscious pink inner membranes that I love so well,

I moved up the bed and began kissing her receptive lips again while running my right hand up into her twat, stimulating into her wet crack which had her moaning softly. I located her vulnerable clitoris, gave that sensitive lump a real good rubbing that soon made her gasp loudly. "Derek... yes, yes, do me there... thats lovely... so lovely..." Lots more too as I continued to frig her firmly, fingering deeper into the inviting tunnel and my cock aching to nose its way up that heavenly passageway.

I knew the final stp would have to be decisive on my part, up till now Pauline would be deluding herself with the idea that to date nothing too terrible had happened. I was right for as I quickly pulled away my fingers and got twixt her thighs Pauline reacted as expected. "No Derek, not all the way... I mustn't, we mustn't, its not, OHHHHHHHHHH..." Too late as she gave a loud squeal, the whole of my large knob safely jamming open her lovely cunnie lips, already my loins gathered for the fateful lunge. I pushed up, a delightful sensation filling me as I felt my stiff rod drive up into her love tube. No protests now! Rather a greedy motion to ensure deeper possession as Pauline operated that curvy rear to good affect and began to accept a goodly portion of my hot meat. I wormed upwards, each pressure taking me deeper which I enjoyed for her four month's neglect had obviously sharpened her appetite. Poor old George, what a bloody fool to ignore a cunnie like this, I drove onwards as Pauline gasped to take even more of my thick tool home. Game lady she opened herself as far as possible to accomodate my throbbing lance as it reached for the neck of her womb.

Whatever inhibitions she had previously felt now completely removed, Pauline now anxious only to get the full benefit of my hot tool working on her bubbling love tube. Me willing to do that service, too bloody right I was for it was fantastic filling up her cunnie which seemed to grip my prick like a vice the harder I ploughed the delightful furrow. I dropped a hand down so that I could tickle her clit while still pumping firmly, that act causing her to pant with lustful pleasure as I rapidly worked her into a real frenzy of activity towards her climax. Boy I was damned near spunking anyway when I heard a deep gurgle from her open mouth and she let fly her peak, clinging onto me as the wild sensations coursed through her body, my mouth latched onto a nipple and biting none too gently as she arched her back and spent her lot. Must have been three or four minutes before she was capable of speaking, than a husky whisper in my ear. "Darling, that was lovely... you are still so hard, I can feel you stuffing me..." I slipped both hands under her pliant arse cheeks, lifted her slightly and really bashed home my pecker for in my balls I had a desperate need boiling. I thrashed home the few final strokes necessary to ensure ejaculation, jamming my cock into her really hard as I spat our my thick cream to bathe her hungry vagina. Her fingernails raking my back as she appreciated that I was indeed pumping seed into her, she held me tight until I had spent every last drop.

The aftermath predictable in my mind, I'd seen it before for she was tearful as I withdrew my softening cock, trying to tell me that it had never happened before, which I believed, and that she was ashamed of letting it happen, which I did not believe at all. Still who was I to argue? I spoke firmly to her.

"I'm going to get us a drink, you go and wash yourself, pet, all over I mean and then I'll come back up and really show you what sex is all about."

She was sat on the edge of the bed, love bites showing on her tits and looking doubtful.

"Wash, woman... okay?"

"She nodded slowly as I went downstairs and poured a couple of generous vodkas, topped them with lemonade. She still in the bathroom when I got back, I lay on the bed

and sipped my drink, Pauline slipped back into the room making ineffectual attempts to cover her nudity with her hands. She had been crying again that for sure for her eyes were red rimmed, yet she took her drink and gulped at it readily enough. I knew she was twenty eight, she didn't look that old as I looked at her.

Having dipped my wick I was now in the mood for more sexual play, I took away her empty glass and began to kiss her mouth again, playing with her titties at the same time but leaving her cunnie alone for the moment. She had consumed two very stiff glassfulls of vodka, precious little lemonade, in a sort of muzzy state that meant I could do pretty well as I pleased with her, she kissed well enough with her tongue responding to mine nicely. I yearned to get in and eat her, broke the kiss.

"How often you been orally taken, love?"

She looked at me from wide eyes, shook her head. "Never, never, Derek, that isn't a nice thing to suggest, its, well, dirty, surely?"

I laughed, "Dirty? Good Lord pet, its the nicest thing in the world, let me show you?"

She sort of cringed away from me as I made to embrace her again, I took the upper hand and forced her unto her back on the bed, her legs sort of halfway off as I pulled them wide apart. She protested loudly as I rapidly repositioned myself so that I could get over her crotch with my eager mouth.

"No, Derek, please don't, don't do that, it isn't nice, its... its, Ahhh.... Ohhh..., darling, darling, what are you doing to me, what are you..."

Her voice trailing off into an incoherent babble as I landed my mouth right no target, slipped out my tongue and licked into her freshly washed cleft. I love everything about women, especially I love the taste of pussy, this was no exception for within seconds I sensed the sweet delights of Pauline's cunnie as her juices began to weep out under my ministrations. Up and down her split I licked, covering the whole sensitive area, particular attention to her clitoris which came in for a real lashing as she foamed up towards an inevitable conclusion to the oral attack. Her thighs clamping around my head as I teased, tantilised and then made her come like a geyser, my God she spent a bucketful it seemed as her crotch bore down and the floodgates opened, a lot of noise going on as I still stayed in there lapping at her pulsing cleft until finally she calmed down enough for me to withdraw and look down at her contented face.

Weakly she smiled up at me."Derek, it was never like that before, it was wonderful, I thought I was going to die when you put your tongue up me, why haven't I done that before." Search me, George's fault I reckon for not servicing her alright, I propped myself on one elbow and played with her tits. "Thing is pet, that you will have to return the favour. I love having my prick sucked."

She looked horrified. "I couldn't, I could never do that, Derek, please don't ask me."

I smiled grimly at her. "Thing is, darling, that if you want the benefit of my cock from here on in you will have to learn to suck me, trust thats clear?" She looked sad, did not reply as I helped her off the bed and back downstairs, poured her another vodka, straight this time which she downed in record time and stared at me.

"Can I have a ciggie?" I fetched a pack from my jacket upstairs, came back down and together we sat at the table naked and smoked.

I glanced at the wall clock, it wanted only a couple of minutes to half nine. "Have you to be going soon pet." Her hand covering mine-,"Must you, I mean you could stay the night, Derek?"

I grinned at her, "Nice idea, Pauline, only risky. I can slip out of the back, its dark enough for me to go back to my car unseen."

She looked glum. "Stay a while Derek, long enough to, to do me again, please?"

Okay so I'm a cruel sod, I simply smiled, "Whats on offer then Pauline?" She stared at me. "I can't, can't do what you want, not kiss and suck you there, not yet, Derek, but I want you inside me again, thats for sure, I want all that rigid strength back in me."

She stopped as if shocked by her own daring, me feeling a hot glow of lust to know that she had fallen under the penis spell I had intended in the first place.

"Okay, I'll stay long enough to shaft you again pet, which way do you want it?"

She looked bemused, "Which way? Sorry Derek, I don't know what you mean?"

A further flush of lust in my blood, teaching this one a variety of positions was going to be fun. "Like you take the upper berth, baby, I'll show you how. Lets go into the front room, put the gas fire on and we'll make out on the rug."

Meekly, like a lamb to the slaughter she followed me as I went through to the front room, the curtains closed and the tele switched off as I lit the fire and lay myself on my back on the thick rug in front of it. Already my recently used cock arching up into the familiar copy of a tree trunk as Pauline sat nervously on the edge of the settee watching me.

"Thing is pet, that you are going to come on top, slot my cock up your quim and ride me, you never tried that before?"

She shook her head, yet an eager edge was in her voice as she replied "No, no, love, but I'd love to try it, show me how?"

I held up my arms in invitation, "Come here, come and squat over my cock I'll show you all you need to know, pet." Without any further delay Pauline was down to obey the instructions, a knee either side of my pelvis although a cloud of doubt still played on her pretty face.

"Down pet, down, bring that lush cunt down so that my cock can slot home." She got the message like a natural, was soon in the right pose so that I could grasp hold of my root and bring the taut knob up into her gaping gash, she gave a startled gasp as it bit home up into her luscious cunnie. She got the idea quickly and began to ease herself down so she was spearing herself under my shaft, looking down at me with complete adoration mirrored in her brown eyes. "Derek, I... oh, its lovely like this, darling." Which was as true a statement as I ever heard for having her envelope my raging erection with her sweet twat was truly beautiful. I arched up best I could to prod my pecker deeper, Pauline getting the message and sinking lower so that a whole length of urgent meat expanded her eager love tube. Nor was she slow to take up the jockey pose, soon riding up and down with delighted squeals as she fully appreciated that she was in control of the situation and made the most of it! Within minutes she was like a veteran at the act, humping her powerful pelvis up and down to rub erotically along my inserted length. Me able to take away my hand safe in knowledge that she could cope, employing my hands instead on her dangling knockers and giving those a real good handling as she rode on with ever increasing speed. She was going to come her lot any second, I could tell as I looked up and saw her pretty face screwed with emotion as she neared her peak. With a loud gasp she went over the top, jammed her wet fanny down over my erection and let her juices flow freely.

MARITAL TARTS!

Nurse Needle's crabhold is soon outwitted by the Naughty Nip's devastating tit-wrench, which makes me wonder: Are we about to see a submission in these very early stages?

A blow-by-blow account of 2 brown-belted brasses trying to get a hold of themselves. Commentary by Kunt Wilton.

Highly illegal and very risque, if I might add. Yes indeed - the first public warning of the match goes to the Naughty Nip!

Nurse Needle flinches with pain, but still refuses to submit.

Despite the slippery dexterity of the sinister Slant, she fails yet again to get Nurse Needl's shoulder blades to the canvas.

You blake wind at a time rike this? VELLY uplofessionar!

And the winner - by dint of Nurse Needle having fallen a-kip on the job - the Naughty Nip!

Finding herself in a steady situation

Certain shops participating offer these items ancillary to their main business, and do not necessarily stock the full range illustrated.

I lifted up a bit, got hold of a tit into my mouth and gave it a hard suck as she played out her climax, it was lovely to do that, she only slowly dercreasingly the striking rate as she appreciated the full glory of being in charge of the situation. "Don't you want to come, Derek?" I smiled at her, "When you are ready, pet, meantime,... well, I'll just suck your nipples and enjoy myself, when you want to go again just start the act." She pressed her tits at me, anxious now as I sucked them really hard, I could see the evidence of my attention to them for red scars marred the lumps thats that dangled down. She relaxed for maybe ten minutes and then started up the motion again, riding me harder this time it seemed as if determined to finish things for us both. With a grunt I arched up and let fly my spunk right up her happy quim. She experienceing yet another massive orgasm as I did so, her mouth covering mine with wet kisses of gratitude as I seeped out the last dregs.

I had to ease her off, my glistening tool pulled out of her wet fanny, "Derek, I've got to have it again, from you, and soon, is that terrible?" I shook my head, "Wonderful, I would say. Now I've got to dash pet, I'll ring you tomorrow and we'll fix up the next date only you know what it will involve?" For a few seconds she looked doubtful, then nodded. "I know what you want me to do, darling, I will, I promise I will, just so long as I can have this." Her hand grasping my wet cock firmly, me wriggling in close and petting her yet again as we kissed.

It was near half ten when I regained my car, no doubt many readers will already be thinking in terms of quite what a 'bastard' I am, ah well, thats as maybe, I make no excuses, I need sex, regular sex and take whats on offer. Perhaps you might be interested in some of my other experiences? I'll tell you anyway, like the case of Sally. I first met her after she and Dave had been married for four months and moved into their first house, impressed really from the outset by her cuddly good looks. Maybe she was overweight but it was all in the right places and she had a lovely young face, just twenty and obviously still flushed with the idea of marriage. Yet when I first called to discuss insurance with them both I caught her looking at me sideways, sort of a wistful smile playing round her lips. Quite a hefty sum was involved and it neccesitated me calling several times before things were finalised. Each time Sally became more obviously attracted, each time wore revealing gear that got the old pecker jerking.

The phone call came out of the blue one Sunday morning, I had not long rolled out of my pit and was sipping my first coffee of the day. It was half nine, Sally the other end of the line, could I possibly call around to discuss one or two points? I don't usually work Sundays, but something about her voice made me think it would be worthwhile. I got there about half ten on a sunny summer's day.

"Where's Dave?" she shrugged, wearing only one of those halter top type towelling dresses and her feet in high heeled sandals. Big is beautiful? Certainly in Sally's case, I could see her teats thrusting through the material and she didn't need a bra to hold up her large mammaries! "He had to work on a roof for someone, won't be in till one or so, thing is Derek, I wanted to talk to you, have done ever since you first started coming her, do you mind?" I assured her that it was fine by me, sat there smoking while she hesitantly began to unfold a familiar tale whereby at first bedtimes had been great, but that soon she was wanting it more and more often. Dave, hard working lad that he was, seemed incapable of giving her more than a couple of pokes a week, noway enough to satisfy her greedy, recently awakened snatch.

"So where do I come in , Sally?" she shrugged hopelessly, "I thought, wondered if maybe you could help me, I can't go all the way, that would be wrong, but I would so like a cuddle from someone." I joined her on the settee, put an arm around her naked, smooth shoulders and pulled her into a kiss. She kissed well, generous lips soon apart to accept my tasing tongue, a slight murmour as I dropped a hand unto the front of her dress and felt the super outline of her vast tits. I found the top draw string, loosened it under cover of a deep kiss and the garment slipped down off her fabulous knockers. Must have been close on forty inches of pliant feminity available to my sweating hands as I described those lovely breasts tenderly. She liked it, that obvious as she firmed up the oral contact and brought her warm tongue into play. I wanted me a taste, bent down and suckled her stiff nipples hard, she moaned aloud but snapped her legs shut when I tried to get a hand up into her snatch. "No, Derek, no, we mustn't do that." Ah well, I carried on with the pleasurable task of lapping her boobs, several times attempting to get up into her thighs only to be denied each time. I had the hots, my cock rigid and aching. I broke away and she stared as I swiftly unzipped and lobbed out my tool. A hand flew to her mouth when she saw the rampant pole jutting up. "Thing is, Sally, I have enough her to satistfy you. Just imagine all this hot meat cramming your pussy full, pet?" she kept shaking her head, "Why not? You want it, I want it... simply relax, baby, and I'll take you to the stars. I'll kiss you all over, open up your quim and screw you silly." She put her hands over her ears, still shaking her head furiously.

I held her hands, "Think on, Sally, I'm going now. Nor will I come again till you ask me to, when you do be prepared for getting shafted, is that clear?" She mumbled something about never wanting to se me again, I put my cock away shile she adjusted her dress. Driving away from her place I grinned to myself, quietly confident that she would be in touch. I wasn't wrong, although it was a couple of months before the call came, one Friday evening about nine I picked up the phone. Sally all nervous and stammering out that she had to see me, knew what that meant. I asked where and when, she said that Dave was at work all day Saturday but she would have the car, could she meet me at Layton Woods?

I was there on the lonely little car park just before nine that following morning, she arrived at five past and got out of the car to join me in the front of mine. I kissed and cuddled her a bit, didn't get too intimate for I'm not a great lover of car sex! I suggested that we lock her car, go back to my place for some real fun, she nervous that we would be seen. Me able to assure her that my garage was built directly onto the back of my terraced house, that a door led into the house so that she could easily hide down between the seats and thus enter my home without detection.

So it was that twenty minutes later I was with her in my kitchen diner, she wearing that self same halter style dress which had me champing at the bit to get to grips with her again. That soon achieved as she shyly let me loosen the top and once more begin appraising her luscious boobs, the teats peaking up nicely under my oral influence as she sat on my lap. I transferred us to the upstairs with the minimum of delay, having already ascertained that she would need to be home for four. No time to lose I reckoned if I was going to get all I wanted out of this super bundle, quickly I stripped naked and she gasped to see the full extent of my erect tool, ludely I stroked the weapon.

"This what you want baby?"

She looked sad, "Derek, could you, would you just masturbate me, I mean that way I'd feel better about it, please?"

Alright, alright I've already admitted to being a 'rogue', me glibly telling her that if she wanted only mutual wanking that was fine. That relaxed her a lot and she raised no objection as I took off her dress and gazed at her powerful legs and big thighs, I skinned down her tights and panties, saw the mop of brown pubic hair already damp in anticiaption. Fucking her was going to be pleasure.

Even lay on her back Sally's boobs stayed like two wobbling melons, I gave a happy sigh as I sank in for a treat, really going to town on those gorgeous tits with hands and mouth until her teats stood pertly erect. I reckoned the request for simple masturbation was simply a blind to her real desire for hot cock, its like that with so many married birds. They need to be able to convince themselves afterwards that they were forced into compliance, I don't care, I'll play it anyway they like just so long as my prick finishes up in their quims. Inside one of the bedside cabinets I had an expensive vibrator with a series of multi heads, all designed to bring extra pleasure to the sensous female, Sally half sat up on the bed trembling as she watched me get the fun stick out and fit on a cup shaped head.

"Lie back, pet, relax and I'll give you a massage to remember."

The vibrator buzzed into action, I placed it tenderly over her left nipple and the affect was immediate as she wriggled delightfully about under the tingling stimulation. I swopped heads in favour of a simple pointed smooth tip, began to trace down over her twitching belly until I reached her brown bush.

"Open up, pet, open up for me to give you what you need."

Slowly those big thighs parted, me breathing fast to see the delicate form of her crotch, like a lot of big girls I'd known Sally seemed to have a small cunnie! I eased the vibrating head into her labia, took time to let her get used to its exciting presence before gently beginning to open up her cleft with the tip.

Within a matter of minutes I had the smooth white plastic dipping in and out of her twat, she panting with emotion as I measure her clitoris came in for a regular touch of the quivering stick.

She gave a low groan, her legs twitched uncontrollably as she went into a sharp ascent towards orgasm. The moment I had been waiting for, I slipped out the vibrator, was between her legs in seconds and guiding the fat knob up to replace the plastic tip. I'll swear that briefly Sally thought I had simply swopped heads for a larger one! Then her eyes opened wide and she protested.

"No...no, Derek, you promised, not in me, not in me, No, No, ohhhhh.."

Too late, me already having the bulb safely up her wet cunnie and already screwing deeper to possess her tight vagina fully. She accepted the facts for what they were, stopped shouting and settled to enjoy the full extent of my rigid flesh now urging further up and bringing her fresh thrills.

In any case the lovely bundle had been halfway to her climax when I had climbed aboard, no woman was going to be able to return to normality without benefit of orgasm. Sally's came suddenly, she clinging unto me, pressing those lovely big tits into my chest as she panted wildly and her brown eyes rolled wildly. My God, some peak I can tell you as her love juices oozed free and bathed my deeply inserted tool beautifully. I held still, giving only an occassional poke to ensure her joy continued for as long as possible. I got what I call a 'gratituide' fuck, Sally so happy for the heady pleasure just handed out, easing her thighs further apart and letting me take my pleasure from her vibrant body I thrust up hard, saw her tits wobble as I did so which really got me going so that I dropped my mouth and suckled at her hard as I shafted furiously.

Forcing her fat bottom into the bed as I went right up her narrow love tube, the walls clinging to my cock which caused me to fast reach that delicious point of suspense when the ejaculation is only seconds away. I paused to savour the moment, then with a grunt screwed the final few strokes that forced my spunk up and out, biting into her left tittie as the wonderous thrill of spending washed over me. Sally with the hots, my sperm jetting inside causing her to have another minor eruption which had her moaning softly, what a lovely fuck that was. One to be stored in the memory as a treasure for my older days.

Of course we had a few tears after I had pulled cocky out of her streaming quim, me cuddling up to her and playing with my fingers up her snatch as she whispered. "I shouldn't have done that, you made me, Derek... but it was so nice, I never thought I would be able to get your penis in me, its so big, I've never finished with Dave, he comes as soon as he gets inside me, I have to finish myself off with my fingers. It was so different to be able to come with you right there, I think I need it again, Derek, is that awful?" I kissed her gently on the lips, assured her it was only natural and told her that my cock would be available anytime she felt the urge.

I told her to put her dress back on, slipped into my slacks and we went back downstairs. I made us coffee, spent a lot of time kissing and petting with her, having crossed the initial hurdle Sally soon showing just what a warm, affectionate creature she could be as she soon had me unzipped and handling my cock nicely. I couldn't get enough of her tits, kissing and fondling them frequently.

By midday it was Sally doing the asking! "Darling, lets go back to bed please?" A couple of minutes later lay side by side, naked and hot as I showed her one of my favourite positions, she still on her side but lifting up one leg so that I could shuffle in close and insert my thick tool into her mushy quim, then her lifted leg dropped back across my thigh. Its a fabulous pose, you can't get really deep but it leaves both partners hands free to titilate and tease. Sally loved it, gurgling with pleasure as I stimulated her prominant clit with my fingers while still slowly screwing her. I made that fuck last until she was practically insane for it.

"Derek, God, do me, do me, NOW..."

I simply rolled her unto her back without coming out, then bashed straight in with a series of telling lunges that had her peaking out loudly. I watched in fascination at her wobbling tits as I poked her hard, kept on poking her through two more orgasms before I once more let my thick cream fly up her vagina.

I let Ssally prepared our lunch, interrupting her frequently as I felt up her dress and played with her sorely used pussy. We left the dishes in the sink, I put her over the kitchen table and introduced her to another favoured position as I took her from the rear. At first she was averse to try, then when she appreciated just how far I could go up her cunnie from the rear she really joined in the fun and kept jamming herself back, the better to cement the connection until her healthy young vagina once more went into the spasms of a climax, milking at my cock until with a growl of lustful passion I ploughed out into her fanny. That shag exhausting us both, once disconnected we sat opposite sides of the tele smiling weakily, yet happily, at each other. At three thirty she was safely back in her car, driving away while I smoked a ciggie and delayed my return to avoid being seen too close to her. So it was that Sally became a 'regular' screw, never once have I approached her, always it is she who rings me to arrange a 'meet'. If anything she has got better over the months, now a full partner to all things sexual and loving oral as much as I do! Ah well, back to the present folks for I want to tell you about my second session with Pauline, you'll remember what I had told must happen if she wanted me again? It was a fortnight to the day from that first Friday night when she rang me, George on 'nights', the kids again at grandparents, could I call? Me asking if she knew what that implied? A pause, a sob and then a soft, 'Yes'.

You will recall that I had promised to ring the day after our first sex session, I hadn't, did you expect me to? Leave them anxious, thats me. Pauline was anxious alright, that Friday evening was bitterly cold as I parked my motor on the nearby pub forecourt. Made my way steathily up the back allies until I could get into her yard, the back door open so that I could slip inside. Patting the bottle of vodka in my overcoat pocket, she in the back parlour, bless her for remembering, just a simple thin sweater and a skirt, I guessed precious little else as she came into my arms at once, that kiss holding all sorts of meanings as she jammed her mouth to mine, her tongue at once sticking into my lips eagerly. I eased up her sweater, gave her rubbery teats a tweak or two before pushing her away.

"Let's have a drink, pet, a smoke and then get down to some sexy play."

Pauline poured for us both as I stripped off down to shirt and slacks, sat at the table and gave her a ciggie. She smoked nervously, made small talk until I took away her cigarette and swung round on my chair, told her to stand up as I opened up my fly and lobbed out my semi erect tool.

"Okay baby, you know what I want?"

She nodded timidly, "I... I never did before, Derek, I'm scared..."

I grinned at her, "Just come and kneel between my legs darling, come and get a taste of what is going to fill your quim shortly." I could see a stray tear trickling down her cheek as she came across, knelt dutifully down before me.

A PROSTITUTES LIFE OF SEX

BY

ERNIE CHAPPEL

This is all about Prostitutes, that enormous army of women, some of whom are compelled by circumstances to hire out their bodies to satisfy a mans sex urge, just for money. Some to gratify their own desire for sexual pleasure while being paid for it as well!

It is so rightly called the oldest profession, it is one that will exist until the end of time. What interested me was to discover how these girls got started in the game and even more interesting how they reacted to the constant call on their services.

We all know that there are many levels in this profession, from the so called mistreses of the wealthy man to the Call Girls who tend to be a bit more selective about their callers at the end of a telephone line. Then there are the many grades of Street Walker, some of whom I have found to be quite charming and well cared for, the remainder, made up mostly of older women, who are only too pleased to find someone prepared to give them money for the briefest bout of sexual satisfaction.

Having met some of the above types let us first hear how the Call Girls get on. One of them, who said her name was Miriam answered my call to a number, given to me by a friend. He highly recommended her to me, as a girl really interested in seeing that you had a good time I did find out that there was hardly any sexual activity that she would refuse to perform.

When I rang her up, a husky but interesting voice answered and, having established what I wanted, and where I was, she told me that she could take a taxi and be with me in about ten minutes if that would suit me.

As good as her word, my bell soon rang and when I opened the door I had no idea what sort of girl would be there, prepared to offer me the use of her body in exchange for money.

Miriam stood there quite well dressed and nice looking, having established our identity to each other, I invited her into my batchelor flat and I knew that I was going to have a session of sex, where I would be the one to get the greatest pleasure frorm our coupling.

As she slipped off her coat I was delighted to see that her curves were attractive and the kiss she offered, supported by a sexy pressure of her body against mine, gave promise of a pretty thrilling evening. We had agreed on her fee over the phone, and having given it to her, I led her through to my bedroom and we both soon got undressed ready for what we both knew was to follow.

The promise of her shapely body did not disappoint me and as her bra fell away, I soon had a handful of the loveliest little bosom one could wish for. I kept fondling them until she had not only shed her panties but had removed most of mine as well. Now I was able to move my hand down onto her pubic mound and to search with my fingers for the moist little hole, which she was offering to me to use for my full sexual satisfaction.

At her suggestion we lay on my bed in a 69 position and feeling her lips slide over the top of my cock, I was able, at the same time to maintain contact with her shaven pussy. It did not take long for her to get my rod into perfect condition and after rolling a rubber down its really stiff length, she turned round and lay back across the bed with her legs open wide.

The sigh of her female charms, was enough to increase my urge to plunge my penis into her recumbent body. I needed no more encouragement to quickly kneel between her spread legs and I was soon enjoying that wonderful feeling that a girl gives to a man as their two bodies are linked to produce thrill after thrill as I slid deeper into that moist silky entrance.

I managed to feel one of her lovely breasts and the increased contact, flesh to flesh was simply wonderful.

She certainly knew how to please a man and while I was rooting away into her she didn't lie still. Her buttocks were thrusting against my thrusts, each time I pushed into her and all too soon she produced in me that uncontrolled ejaculation, as my body released its load of sperm.

Although I held myself thrust into her my tool gradually withered, so I rolled off of her and we stood up. I intimated to her that having her like that had been perfect sex and asked her if she would be prepared to wait a little while and a little later on let me mount her once more. For an extra fee of course. To fill in the time and to maintain the excitement I poured out a couple of drinks and we sat together talking about sex. I asked her how she came to take up such a profession. She

.... 9-25 told me that losing her virginity about the time she left school to a horny boy who could only think about sticking his little peg into her very tight vagina.

After this and for some years she improved her experience from one young man to another. She told me that she had been fucked in all sorts of places and positions. In the backs of cars, in the woods, in a train, on the beach and in one case in the street after dark. One of the car episodes came soon after she had first experienced being taken from the rear. Then while she was kneeling, waiting for him to start, she wondered if he might enter the wrong hole, however it had gone into her very well, so when in the back of a car one night, parked do a dark lane, she and her current boyfriend had managed to excite each other to the point where they both wanted to go all the way.

Miriam had then mentioned how she had already had it up her from behind and suggested that they tried it on this occasion. So both being nearly fully undressed, she had stood behind one of the front seats and bent herself over its padded top. By opening her legs she left plenty of room for his waiting penis to slide under her and make its way inside her. As she stood behind one of the front seats and bent herself over its padded top. By opening her legs she left plenty of room for his waiting penis to slide under her and make its way inside her. As she stood there bent over to let him enter her she loved the sensations as he went into her. In and out it went in a very comfortable way, until he had to let his load of love juice ejaculate into the rubber protector, that she had insisted on the boyfriend using.

The time she had had it in the woods was a well planned event and, having a well hidden spot, they were able to get stark naked and indulge in some really rousing foreplay. So when both were fully excited their bodies came together and merged in a flash. She always remembered the thrills she had enjoyed on that occasion, as she had looked down to see his wet cock going in and out of her body.

But it was in the train one Sunday night coming home with a special boy friend they happened to have an empty carriage.

Knowing that it was at least half an hour run to the next stop she suggested to him, that if she took her knickers off he could lower his trousers and let her rub his dick up to a stiff condition and as she lay along the seat, with her clothes lifted out of the way, he lay on top of her and taking their time were able to enjoy a long thrilling session. It was certainly thrilling sex that was all the more so for being had in such a public place and not having to be rushed.

The next time that they had an unusual one was on the beach and it was able for them both to reach inside each others briefs and masturbate each other, until he orgasmed all over his hand.

The last one she told me about, was one night on the way home from the Cinema where her young breasts had come in for some heavy petting. Yes, he had even got a hand up between her legs. As they left the cinema they were both so sexually aroused that they had turned down the first dark side road. Quickly unzipping his trousers he released his length of cock and leaned her up against a low wall she helped him guide the great thing into her. They experienced a fantastic thrill as they re-acted to the in and out movement which all too suddenly swept to completion.

Only just in time did he whip it out of her and hold it dripping semen on to the pavement. They spent a bit more time just fondling each others genitals, until she enjoyed her own orgasm and then feeling a bit quieter they got dressed and on their way home

By the time Miriam had told me all about these exciting things, coupled with some exciting masturbation I found that my John Thomas was stiff again and ready for the second entry that we had arranged.

This time I took her from behind and the rogering I gave her shook her whole body. I was also able to last a little longer but in the end the result was the same thrilling orgasm.

She then got dressed and collected her extra money and I saw her out, making sure that I had the correct telephone number for calling her next time I wanted a nice girl to fuck.

Now while this Call Girl had been pleased to come to me, had circumstances been such that I had no accomodation she had a room to which I went on a later occasion. The fuck was just as good.

Another Call Girl that I had was when I used a telephone number as displayed in a shop window. Going to a phone box nearby I rang the number and asked if the girl replying was the one who had displayed the advert. She assured me that she was and giving me her address - which was quite near by - invited me to call as promised. She gave me a good time in the way of sex.

Wondering what I would find this time, for I did not have a friends recommendation. I climbed the stairs to the flat and rang the bell. I was quite pleased with her. I followed her into a small hall leading to a bed-sitter. The double bed took pride of place. Her name was Jean and she offered me her naked body for £10 or if she did not undress, it would cost me only £5.

I told her to undress and helped her off with her dress.

She knelt down on the bed and I stood behind her uptilted bum. As she slightly spread her knees, I had a good view of her pink fanny jutting backwards, all ready to accept my hardness. I pushed forwards and already I could feel the muscles gripping my cock all round as it slid down it like a fur collar.

I was very stiff, but luckily she was moist inside her tunnel and I soon slid inside her.

Holding her two fine breasts I could thrust my way into her and get an added thrill from the firm grip of her vaginal tube which gave me all the extra sensations needed.

By now we were both going hard against each other and I could feel how my energetic thrusts were shaking her each time my body slammed against her backside and she certainly knew that she was being fucked! Then, as the rising tide of hot semen rushed up my prick I pressed myself hard against her until the last tremor had died down.

Now I have told you about two of the Call Girl types, what about the street walkers? These are acting against the law and liable to be fined. However if a girl has the right contacts it is easier, but if not she has to chance it.

I have two specific types in mind to tell you about. First was Cherry aged about 35. She had been widowed about 7 years earlier and after several small jobs which paid her hardly enough to live on, she adopted the suggestion of a girl friend who was on 'the game'. She advised her to get a room near to a place where men came to look for a willing girl.

So, with her heart in her mouth she got a room and then set about walking in the area suggested by her pal. She wondered what it would feel like to take a strange man home, knowing that she would have to undress in front of him and then let him have the use of her body for sexual activities of any kind. She steeled herself to go on with it and remembered her friends words, that after a few times she would think nothing of it.

Keping a good look out she moved from doorway to doorway and eventually spotted a man lingering in front of a shop window and looking towards her. Cherry stopped alongside him and said "Hello, are you looking for a naughty girl. I can promise you a good time!"

"Thats just what I am doing," he replied "Do you live far"?

"No, just round the corner. Come with me and I'll show you."

So, with her first paying client, Cherry led him back to her room, which was on the first floor over a radio shop.

He asked her how much was her charge and, when she told him he seemed satisfi He said "I hope you will do a bit of lip work on my John Thomas I want it to be really stiff when it goes into you."

She laughed as she agreed, although she had hoped that it would not be needed on her first client, she none the less set about getting her things off ready to start.

The man was already quickly shedding his clothes and then standing in front of her, he got her to kneel down. This brought her face to face with his already rising penis. Taking it in one hand she started sliding his loose skin up and down, which improved things a bit and when after a tentative lick of her tongue, she opened her lips and accepted the knob part into her mouth. Now she certainly felt involved and not wishing to hang about, she moved her head up and down this growing monster, while the tip of her tongue added further thrilling friction.

Feeling that by now it was really stiff and jutting upwards and outwards from his pubic patch, she quickly rolled a rubber, which she had left handy, down its pink length.

Climbing onto her divan bed she laid back ready to earn the first of her immoral earnings, he needed no invitation to kneel in front of her spread legs and she then felt his hard tip touch her cunt as she braced herself against his penetration, of course at her age she had had many different cocks inserted into her, so this one was no novelty, it was just that now she was letting a perfect stranger use her body for money, instead of letting it be done for free by a man she knew.

By the time he had reached his peak and convulsed against her, she felt a lot better and was contented to let him keep it in her until it was so limp, that it just fell out of her.

As he rolled off of her she pulled his partly filled rubber off and dropped it into a receptacle that she had left ready and handed her client a towel to dry up some of the excess moisture.

Slipping on a house coat she saw him to the door and, as soon as she was dressed again she set out to look for her next randy gentleman, knowing a little bit more what to expect this time, by now, of course, when she had a client into her she let him do as he wanted, without further thought.

Another type of street walker that I talked to was the sexy housewife. Out to earn a bit of extra money from letting a man have access to her body, as well as being able to get for herself a needed, satisfying sensation. Sometimes it was a case where the wife had a husband unable to give her the sexual satisfaction that she wanted. Sometimes they were of the nympho type or perhaps they just wanted extra dick asnd were glad of the money was well!

The one I met had come up to the West End from one of the modern suburbs and I picked her up in a Tube Station. Or rather I should have said 'she had picked me up'!

I was standing there thinking of nothing in particular, when this attractive looking woman stood beside me and shook me by saying, "Would you like to come to bed with me this afternoon?"

For a moment I was startled but managed to say, "What here?" "No", she replied with a laugh. "I have the use of a bedroom in a Bayswater Hotel, they don't ask questions as I pay for a day in advance without luggage or meals. If you come with me I can promise you a simply wonderful time and what is more, I don't charge a lot."

This sounded to me like an attractive offer and she looked as if she could give me all I wanted in the way of sex. So as it was only a few stations away, we got our tickets and were soon on our way. As we had gone along in the train I had looked; at her and could hardly believe that she had offered to have sex with me. Just like that! It was only later that she told me about coming up to the West End to pick up a man for money.

She soon led me into her Hotel, straight through the hall and up the stairs to an ordinary Hotel bedroom, it

certainly looked as if she had done it all before and the staff would be able to picture what she would shortly be doing upstairs.

I offered to undress her which gave both of us a little extra thrill. When she did the same for me her hands wandered suggestively, as mine had done. She was a sexy little piece and certainly knew what she wanted. She told me that although she was on the Pill she liked a man to cover up with a rubber just in case.

Having got that part settled she said to me, "I expect you would like me to suck you off first so that you have a really stiff one to put into me?" With that she got me to lie back across the edge of the bed, with my feet on the floor. Then, kneeling in between my open legs she started by masturbating my lengthening prick and after giving it the final touch with her lips, she signed to me that she was ready to start things going.

I had earlier suggested to her that I wanted to get up her from behind, so she quickly hopped up onto the bed and, getting on to all fours she presented her little bottom up towards me in a very saucy and attractive way.

By now my penis was sticking out straight and stiff in anticipation of the sensations to come, she then moved her knees slightly apart, giving me a thrilling sight of the opening into which I was about to insert my cock. As I stood behind her it was easy for her to guide it where she knew it would have to go.

Once my flesh had touched hers I was soon right inside her and with a breast in each hand I could hold her against my thrusts which seemed to me to go up into her a very long way, as I came back for another stroke I could see my wet and shiny penis sliding in and out of her pink bottom.

Every time we came together I could feel the warmth of her inside and the gentle friction this gave to my now quickly moving rod, gradually brought about the explosive orgasm which is the reason we do these things with each others bodies.

She was panting a bit as I withdrew and she told me that the pleasure I had enjoyed was equalled by her own.

After clearing up, we got dressed and walked back together to the tube station for her to try to get yet one more client. Of all the types of Prostitute mentioned, the only other one is the one who operates in a Brothel under the guidance of a Madam or Manageress. I succeeded in getting one of these women to tell me in her own words and quite fully how she operated. This is what she said.

"I had been working for nearly a year as a Street Walker and had found it pretty hard going. The eternal search for a horny male, coupled with a constant look out for Police made my mind quite receptive when a girl friend told me that she operated with other girls in a large house and added that although she had to pay a large precentage to the Madam, there was no shortage of clients. So I asked my friend if she could introduce me so that I would be able to try this ideal way of getting men.

Next day I called at the address given and asked to see Madam, I was shown into her room cum office and explained to her what I had in mind, she told me that I should have to offer myself freely to the clients in the house and then to pay over so much from each one that I serviced, she also told me, that before I could be accepted I would have to strip and allow her husband to try out what I could do, as her clients would only come to girls that were co-operative.

As this would be nothing new to me I said that I was quite willing, so she rang a bell and her husband came into the room. A nice looking fellow who said "Well dear let us see what you can do, shall we?" I immediately started to get undressed. Leaving only my stockings and suspender belt. I stood up and turned round so that they could both look at my female charms.

The husband slipped off his shirt and trousers and, by the state of his prick I could see that my body interested him. I suppose his wife got a kick from seeing him fuck another girl, so I got started on the demonstration.

First I gave his half hard cock a good brisk wanking then kneeling down used my tongue and lips to get him fully hard.

As soon as he was ready, he got me to lie down on a sofa and pushing my legs apart, he climbed on top of me and let me guide his rod to where it was to go. He did not waste anytime. Just as soon as he had moistened his knob, he pushed it hard into me, once he had been right up he started a brisk in and out movement. He gave me a good shagging and I did my share to let him know that I knew how to please a man.

It seemed that I was pleasing the woman as she stood near my shoulder and could look down between our two bodies, at the fleshy shaft that was soon worked up to its climax. Luckily I was on the Pill so could accept his creamy load.

As soon as he had got all he could from me, he got up and said "That was very nice. I have had many worse in my time, so if you fix up details with my wife we can promise you a good and profitable time, you see we draw a lot of our clients from the many businesses in the area, as well as many recommendations and regular clients.

After I had dressed, she explained that the girls in the house, who varied in number according to demand, waited in a large room for clients to come for their services, when a client was in the reception room, three girls were to go in to see him and he would select the one he liked best. The others returned and waited for the next selection. The one girl, left knew that it was her turn to go upstairs with the man and to undress and let him have sex with her.

As it paid the girls to be selected it became essential that they made themselves as attractive as possible, clients had many different tastes. Some liked large boobs, some liked small ones, some liked blondes, some like brunettes or even redheads. Size was another item. There was one Chinese girl who was in great demand, so you see in the end we all got our share of the clients. As they went upstairs to the bedrooms, both the girl and the fellow must have been thinking of what was to happen next.

Once alone in the bedroom we either undressed right away or let the men do it. The result in the end was the same, two naked bodies to come together in the lmost intimate contact and it was astonishing the many different ways it could be done as well as quite a bit of oral sex.

My first client only wanted to strip me at first and after a lot of groping got me to use my mouth to get him nice and stiff. Then in he went and I feel sure delayed his orgasm as long as he could. He must have pumped into me nearly two hundred tiomes before he had to let it all go.

Then things went on to a regular pattern and I must have been screwed on an average six times a day, which was a fair average among the girls. I found this to be quite a manageable number and the standard of clients turned out to be pretty good. No doubt thanks to Madams surveillance.

I did have oane or two unorthodox customers. One that I well remember was a man who alway booked to have two girls in the room. Both naked of course, so that while he was rooting into one in the Missionary position, he got the other one to stand with legs well parted on the other side of tghe bed. All her wonderful female parts were then only inches from his eyes. He explained that in the usual way he could not see a fanny beingl penetrated but this arrangement gave him the necessary thrill. Of course as soon as he had finished with me, he got the other girl to revive his John Thomas enough to have him push it into her. Then of course I was the one to display my female beauties to his gaze. Naturally we both got paid and it certainly made a change.

Quite often if a girl gave a client some special sensation or thrill, we found that he would ask for us by name. Then of course our usual selection system was not used. Madam encouraged this, as quite a few men who get a sexual urge fairly regularly, so you could find yourself serving the same man every three weeks or so.

Coming back to earth after her detailed description of her life in a Brothel, she said she could see that I was in a pretty horny state and felt I ought to let her attend to me, so I then had the chance to take this attractive girl to bed.

After getting me really stiff she got me to lie on my back then turning face to face and kneeling astride me, she lowered her cunt down on to my very upright prick. Her hand held my knob against the quite moist opening and lowering herself on to it still more, I could imagine how far up her I was reaching. In fact she got right down on me so I could hardly imagione all my length, about 6 to 7 inches being inside her body.

She moved side to side even as she moved up and down and I can tell you that the feeling was simply terrific. In fact I had no chance of holding back and just had to let go my sex liquid.

Having quite enjoyed all that I made sure that next time I come to this particular house of sex that she and I get together again.

READERS LETTERS

Dear Editor,

Issue 29 of Playbirds Continental was just perfect. I know it is a back issue, but I've just come across it in a sex shop, and it is amazing.

From now on I will be buying your magazine on a regular basis. I liked all the girls you featured in that issue, but one in particular caught my eyes, and that was Inga.

The first picture of her holding a hose pipe on her cunt, spraying water all over her pussy lips, was a huge turn on.

And that one of her crouching down, using both her hands and all her fingers to spread her wet cunt lips wide apart was so good it almost made me come in my pants.

And that rear view of her on her hands and knees, hand reaching backwards to spread the cunt lips open, the bum hole very tight and puckered, was the sexiest picture I have seen for a very long time.

She had the most beautiful cunt I've ever seen, and she was really sexy, it was obvious that she had been wanking before the pictures were taken, how else could you explain the really thick flood of pussy cream dripping from her cunt?

Yes, she was the best. Though every single girl in that issue was good. I should think that this particular issue has now become a collector's item.

ENERGY PLUS

Dear Editor,

I don't know about you, but there are times, when I'm fucking a woman, that I really run out of energy. I fuck once, perhaps twice, and then find that I am knackered, and of course, it is at those times that the woman always wants more of the same, and as you know, if you can't find the strength to fuck a woman when she wants it then she will soon leave you and find someone else to have sex with.

Well, I think I have found the answer. I was in my local Private Sex Shop and saw a product called Energy Plus, these are pills, and they were supposed to increase your sex drive, supposed to give you more energy right the way through the night.

Well, I tried them, and they really did work. Then next time I was I bed with a bird I fucked her twice and was feeling just a little tired, in fact too tired to fuck again, but she was still very randy, wanted my cock inside her again.

So I slipped into the bathroom and took a couple of these Energy Pills I had just bought from the sex shop, and just a couple of minutes later I felt a new wave of energy flood through my body, and my cock became really stiff, and I dived on top of the bird and slammed my hard cock into her and fucked her silly.

I also found that I still had plenty of energy left after the fuck, and all in all, I fucked that lady six times that night, and she was more than pleased.

All I can really say is that these Energy Plus Pills really did work for me, they gave me all the sexual drive, all the sexual energy, that I wanted, and if any of you reading this are feeling a little jaded, if you wished you could fuck more times during a sex session, then why don't you pop along to your nearest high class sex shop and get youself some of these Energy Plus Pills, they really are good.

HARD ON PILLS

Dear Editor,

Having a limp cock just when you are about to fuck a woman is no fun at all, and when that woman then sucks you to get you hard and nothing happens, then you feel a right fool, especially when that woman is really desperate to get your hard cock inside her.

Well, this has happened to me once or twice in my life, and the women have not been at all happy about it, but I have now found a really good sex aid product at my local sex shop which really takes care of that problem for me.

They are called Hard On Pills, and when you take them they turn your limp cock into a really huge stiff prick in just a couple of minutes. I know, I have tried them and they have worked every single time.

I have been about to fuck a woman, about to drive my cock into her cunt, when my prick has gone limp, and all I do then is take a couple of these Hard On Pills and within two minutes my cock is hard and huge again.

These pills also seem to help you to keep going longer, before I started to take them my record was just ten minutes, but now, these days, after taking these Hard On Pills, I find that I can keep fucking a woman for up to twenty minutes, and it goes without saying that the women really love me for that and they keep coming back to my place for more of the same.

Many men have their pricks go limp on them from time to time, usually when they are about to fuck a woman, and it can be very embarrassing indeed, but the answer to their problems is these Hard On Pills which are now on sale at most really good sex shops. Try them, you have my word for it that your days of having a limp cock at important moments are over.

PRIVATE SEX

Dear Editor,

Before contact magazines came onto the scene, it wasn't always easy to find women to go to bed with, but now that the contact magazine business is under way, all you have to do is buy a genuine contact magazine, write a good letter, and you can get into bed with some of the sexiest women you have ever met.

Mind you, it has to be a really genuine contact magazine, for there are rubbishy ones about. I always make sure that I get a genuine one by buying it at my local Private Sex Shop, for I know, in that shop, that they only sell the genuine thing.

I've had all sorts of women I've met through the contact magazine, in fact more women than I can remember.

I've been using the contact magazines for over a year now, and hardly a week goes by without me being able to jump into bed with a new woman, but like I said, you have to make sure that the magazine is a really genuine one, a magazine which does not accept adverts from women who intend to charge money for having sex, and the only way to be sure of this is, as I have already mentioned, is to buy the magazine from a Private Sex Shop.

Yes, when I think back on all the women I have fucked because of the contact magazines, then even I am staggered. I did this the other day, thought about them, and it was a nice memory exercise.

There was Tina, a large boobed girl, who had said that she wanted a man to come all over her tits and then would lick the stuff off with her tongue as she lifted her tits up with her hands, and she did just that when I spent an evening with her.

Then there was Maria, she had placed an advert in the contact magazine saying that she was really into being wanked off with all sorts of things, and would some kind man write to her and then go along and do this to her.

I must have written her a very good letter, for she asked me to go round, and then, for the next hour or so, all I did was push various wanking

things into her pussy, and those things included a banana, a cucumber, and a wine bottle. Yes, when it came to having things inside her pussy, that lady was very kinky indeed.

Of course, not all the women advertise for kinky sex, some of them want just straight fucking, and I'm always willing to oblige a lady who wants to get a good hot cock inside her quim.

There was Wendy, she advertised in the contact magazine saying she wanted a man she could get on top of, a man she could ride till he came inside her cunt, and again, I must have written a letter which impressed this lady, for she wrote back to me giving me her address and saying that I should call on her just as soon as possible.

She had a fabulous figure, the sort of body that you dream about, and she kissed and sucked at my cock for a little while and then mounted me, and she just had to have the tightest cunt that I'd ever been inside.

She rode up and down on my cock for ages and ages, and then, when my spunk went up into her love nest, she had a fantastic orgasm, and afterwards, she pushed her fingers into her hole and wanked off.

Then there was Yana, a really lovely girl, her tits were huge, and she wanted fucking very badly indeed, her advert had said that she only wanted a man who could fuck her with his cock at least five times during the course of a night.

Well, I've always had plenty of energy when it comes to fucking so I wrote to her and soon she and I were in my bedroom, and she was a real nympho in bed, no matter how much you gave her she still wanted more and more, and she was the first woman that I have ever met who, after fucking her, pushed three fingers all the way into her sperm filled pussy hole, wanked off, then pulled her sticky fingers out and then sucked them dry in her mouth.

But on the whole, although all the women who advertise in the contact magazines want fucking, they are all kinky as hell, they want that little bit extra from the sexual act.

I remember one girl who was really into watersports, another one who wanted her bum slapped all the time, and yet another one just wanted me to spunk off all over her face.

Yes, since I have been buying my contact magazines from a Private Sex Shop I have had no shortage of women with which to go to bed. I have had as many women as I could handle, and each and every one of them has always delivered the goods, and not one of them has ever asked for money from me. So, this is the way I look at it, why waste time picking up women, when all you have to do is buy a genuine contact magazine from a Private Sex Shop.

SPANISH FLY SEX SUGAR

Dear Editor,

I've just found something that makes a girl say 'yes' every time. Yes, a sex product which makes the woman jump into bed with you right away.

I bought this stuff at my local sex shop, it is called Spanish Fly Sex Sugar, and as the name suggests, it is put into a cup of tea or coffee, and the Spanish Fly part of it really does work, for I have tried it out on several women and they have all ended up giving me a really good fuck.

I bought mine at my Private Sex Shop, but I understand that most really high class sex shops now sell the stuff. It isn't that expensive, not when you consider the results it gives you. Anyway, don't just take my word for it, pop along to your local sex shop and get yourself a packet of Spanish Fly Sex Sugar and then drop some into the next cup of tea your woman has, and believe you me, in next to no time she will have turned into a right little nympho, and you will find that once in bed she will also do anything you ask. Yes, this stuff really does work.

PICK UP

Dear Editor,

It was late at night when this happened to me, and everything I tell you is true. I was standing at this bus stop waiting for the last bus, and it was pissing down with rain. I seemed to be the only person in the street.

This car came along and ran straight through the huge puddle which had formed in the roof. Water sprayed all over me, I was soaking wet.

Of course, I cursed like hell, and the car stopped, which surprised me, and reversed, and a woman got out, a pretty little blonde of about twenty two. She called out that she was very sorry, that she lived just round the corner, would I go with her and dry off then she would give me a lift home, that was the least she could do, she said, for having made me so wet.

I agreed, and I walked round the corner so that I wouldn't get the inside of her car wet – that's how fucking soaked I was.

I undressed in the bathroom, wrapped a large towel from me, and she took all my clothes and hung them over some radiators to dry, and then she sat me down in the lounge and poured me a stiff drink.

Turned out her name was Delia, that she was a model, and she was a very charming girl, and soon we were chatting away as if we had known each other all our lives.

Then I stood up to put my glass down and the towel slipped from me. Now talking to such a lovely model had given me an erection, and when the towel slipped down, my old dong was really stiff, and her eyes lit up when she saw it, said it was a very nice looking cock.

I just stood there, my cock throbbing like mad while she stared at it, and I could tell from the expression in her eyes that she wanted some of it, but I didn't want to rush, thought I would let her make up her mind.

She made up her mind very quickly, she just walked across the room and knelt in front of me, and the next thing I knew was that the fingers of her right hand were holding my balls, the fingers of her other hand were running up and down my shaft, and her tongue was lapping at my glans.

I shook with pleasure, for her touch was very gentle, and her tongue felt amazing. She lapped at my cock for a few seconds, and then stood up and started to get undressed, and her naked body was amazing, full firm breasts and a really lovely pussy.

I got down onto the carpet in front of the electric fire, and she did the same thing, and I pulled her to me and kissed her on the mouth, and soon her tongue was flicking in and out of my mouth, and then her right hand was again on my cock.

I could feel the hard points of her tits pressing against my chest, could feel her damp pussy against my belly, and my cock jerked like mad.

I moved my right hand down, and touched the lips of her cunt, found that they were very wet, rubbed for a few seconds, and then slipped two fingers all the way into her tight hole, and she writhed about in my arms saying that my fingers felt really good inside her.

I started to wank her off, started to ease my fingers in and out of that wonderful cunt of hers, and she soon climaxed, and as she did so, her juices really flowed out over my hand.

She rolled over on her back, her legs wide apart, and she didn't have to say what she wanted, for it was very obvious.

I moved my head down her body and then lapped very gently at the lips, the fleshy wet lips of her quim, and she started to shake with passion, and as I lapped so her juices dribbled into my mouth, and they tasted very hot and sweet.

I parted her cunt lips with my fingers and had a quick look inside her red hole, and then I pushed my tongue in there and proceeded to give her a very deep tongue fuck.

She climaxed many times while my tongue was inside her cunt, and I must have swallowed down at least a pint of her juicy cream by the time I moved my face away, and that was when she rolled and went down on me.

She took my glans all the way into her mouth, took it in really deep, started to suck for all she was worth and soon my cock was bigger than it had been for some time.

Now her cheeks were blowing in and out, her head was bobbing up and down, my glans banging against the very back of her mouth, and her hands were working well on my balls and shaft.

It was one of the best cock sucks that I had ever had, she had a way about her, she had a way of doing it which proved to me that she preferred cock sucking to anything else. She was one of those women, and there are quite a few of them about these days, who seem to be in love with the taste of hot throbbing cock.

She was having orgasms all over the place as her head moved up and down over my cock, and her lips and tongue were very experienced, and then she started to suck so fucking hard that for a moment I thought my cock was going to be turned inside out.

Then she gave this huge suck, and at the same time she tugged really hard on my balls, and I lost all control after that, heaved my cock hard into her mouth, almost – or so it seemed – pushing my cock right down her throat, and then ejaculated a really massive stream of hot spunk into her mouth.

She gasped with passion, pulled harder on my balls and shaft, and took every last drop of spunk that I had to offer into her mouth, and then, with a look of sheer sexual satisfaction in her blue eyes, she swallowed down every last drop, every last blob, of that spunk of mine, and as it went trickling down her throat, so she had another orgasm, and then another so that the juices spurted from her cunt and left a huge damp stain on the carpet.

She let my cock slip from her mouth and then licked her lips and smiled, and she paid me the compliment of saying that I had the best tasting spunk she had ever swallowed down.

We had another drink after that, then she checked to see how my clothes were getting on, and then suggested we would be more comfortable in the bedroom, for she now wanted to have my cock inside her cunt, and for that she wanted to feel sheets under her bum.

So we went into the beroom, and there she stretched out on the bed, and again I went down on her and pushed my tongue into her cunt, and got her wetter than ever before.

By this time she was gasping for a fuck, and I thought it would have been very rude of me to keep her waiting any longer, and so I got on top of her, and with her firm breasts crouched under my chest, I slipped the full length of my cock all the way into her very tight, very hot, very wet, cunt tube.

Her legs went up right away and then clamped down round the small of my back, and she was pulling me down so tight it was amazing that we were not fused into one entity.

She started to heave up an down, and so I started to shaft that wonderful cunt of hers, and it really was one of the best twats that I had ever been inside, so tight that it seemed to fit my cock like a second skin.

I could feel her heaving and bucking under me, could feel her warm flesh writhing under me, could feel her really hot juices boiling and bubbling round my shaft.

She said she wanted it deep, and so I gave it to her as she wanted it, banged in hard and really deep so that my glans was banging against her very depths, so that my balls were slapping away at her cunt lips.

The orgasms started to power through her, and very intense orgasms they were as well, and her cunt was now so hot I half expected to feel steam coming from it.

My glans started to jerk, and then I shafted as deep as possible inside her, and then my spunk came gushing out, and I spurted that spunk into her with a great deal of force, and she had such a huge climax at that stage which made me fear she was going to pass out.

I eased my cock from her, spunk was still dribbling a little from my glans, and she gave a sigh of delight and rolled round very quickly indeed, and then she took my glans into her mouth and sucked hard, coaxing out the remainder of my spunk.

Then she let my cock slip from her mouth, and then she reached down, and I watched as she pushed three fingers all the way into her cunt and started to wank off.

It was really delightful to see that lady wank with her fingers inside her spunk filled pussy, and of course, as she wanked, and as she climaxed, so masses of sperm and pussy juice came flowing and gushing from the depths of her hole.

Well, I stayed with her all night, never did get that lift home, but who the fuck cared about the lift, for all I did all night long with that woman was fuck her.

She sucked me, I fucked her, she wanked me, I finger fucked her, then we fucked, then we fucked some more. It was a total night of total sex, and the best sexual sessions of my entire life.

I often stand at the bust stop late at night. The girl I have mentioned moved and I lost touch with her so I stand at the bus stop waiting for the last bus, and when it pours with rain I step nearer the kerb, nearer to the puddle, in the hopes that one night another girl will drive by and spray me with water from that puddle. It hasn't happened so far, but I'm sure it will one day.

GENUINE COLOUR PORNO

From the Publishers of this Magazine

We hope you enjoy this magazine and the others in our range – you can't buy anything stronger in newsagents. However, we do produce one or two lines that go the whole way – these are for sale to personal callers and mail order only – but they are too strong to sell in local newsagents. These large colour magazines are as strong as any imported material. Look at these two mags:

1. PORNO MODEL

Superb 100 page magazine. Introduces ACTUAL EXPLICIT shots of sexual intercourse (first British mag to feature this), plus vibro masturbation shots, flap shots, fist ducking, actual penetration intercourse and actual penetration oral sex shots. This is the strongest magazine ever printed and sold in Britain. Mail order price £2.75

UNCENSORED

UNCENSORED

2. PORNO

As the title suggests non-stop porno stories and colour pictures from end to end. The most explicit sex magazines ever published. Covers every form of pornography and sex. Group, Les, objects, the lot. You've never seen a book like this. Just £3.25 mail order.

☆ **SPECIAL OFFER** ☆ We offer you PORNO MODEL & PORNO at the SPECIAL OFFER PRICE OF £5 instead of the normal price of £6).

OUR PLEDGE

We as the publishers of this magazine GUARANTEE that these are the strongest and best books we have ever published – stronger than our normal monthly publications. These magazines are DEFINITELY NOT the normal 'rip-off' mail order lines that so many of our competitors appear to specialise in.

GAY MAG PAKS

Handsome young men exposed by the prying camera. Solo pictures of young men proudly displaying their manhood—one shy young lad reaches 12"—yes, it's true—and young men consenting together to obtain mutual satisfaction. Some proudly standing at 10" are dwarfed by the true 'king sizes' of others.
